## Product Description

---

After escorting an inquisitive journalist to a remote tropical island, Jack Carver finds himself stranded in paradise, hunted by an unrelenting team of highly trained mercenaries. Incorporating state-of-the-art graphic technology and a host of innovative FPS gameplay conventions, Far Cry redefines the term “survival action.” As Jack, you’ll have to outwit hordes of cunning mercenaries through all manner of tactics. Make long-range assaults, set traps, commandeer vehicles – even develop new skills and abilities to outlast the island’s evils and escape with your life.

## Key Features

---

- **Survive by Any Means**  
Go it alone by setting traps, scouting ahead, sniping from afar, and commandeering all types of assault vehicles.
- **Shoot to Kill**  
Finally, AI that’s actually intelligent. Enemies react in real-time, take cover, call in reinforcements, and use advanced group-formation tactics to take you out.
- **A Whole New World**  
Discover all-new locations including abandoned mines, aquatic labs, and a host of locations not found in the PC version.
- **Wage War Online**  
Explosive Xbox Live™ play allows you to engage in island warfare in more than eight unique modes of multiplayer combat.
- **Create a Slice of Paradise**
