

ACE COMBAT™ DISTANT THUNDER

Ace Combat™ Distant Thunder perfectly combines the bravado of the film Top Gun, the edgy reality of Operation Desert Storm, and the sky-high gameplay of the critically-acclaimed Ace Combat series. The end result is an adrenaline-fuelled game of unerring speed, skill and airborne action.

Key Features

- Massive variety of mission styles - dogfights, ground attacks, high-altitude chases
- 20 real planes including: Mirage, Tornado, Rafale and Eurofighter 2000
- Improved super smooth 3D graphics provide an intensely realistic sensation of flight, greater than ever before
- Deep, involving storyline that directly affects the decisions you make in-game
