**FOR IMMEDIATE RELEASE**

## **SNK PLAYMORE USA CORPORATION to Publish For Nintendo's Wii™ and Nintendo DS™**

**First Wii Title to be "METAL SLUG ANTHOLOGY,"**

**WALL, NJ. – May 2, 2006** – SNK PLAYMORE USA CORPORATION, the US publishing arm of the SNK PLAYMORE CORPORATION, announced today that the company will develop games for Nintendo's new home system, - Wii™ (formally code named Revolution) and for the Nintendo DS handheld system.

To gamers worldwide, the METAL SLUG franchise is known as one of the greatest action arcade series of all time. First introduced in 1996, METAL SLUG and its sequels have achieved massive popularity with arcade gamers due to the series' highly detailed animations, impressive backdrops, and consistent sense of humor. This will be a full arcade collection including many additional surprises.

"Fans worldwide have been looking forward to our return to Nintendo platforms and what better way then to bring our complete METAL SLUG arcade collection to Wii™. Additionally we enter the Nintendo DS category with our SNK VS CAPCOM CARD FIGHTERS DS game that will match the dual screen format to a great game" said Ben Herman, President of SNK PLAYMORE USA CORPORATION. "The Wii controller will be used in a new and unique way that enhances the gameplay. Our fans have demanded that we support Nintendo platforms. Let the celebration begin".

### **About Wii**

Nintendo's next system, Wii (formerly code-named Nintendo Revolution) will feature a controller designed to be used with either one hand or two -- a first in the video game industry. When picked up and pointed at the screen, the controller gives a lightning-quick element of interaction, sensing motion, depth, positioning and targeting dictated by movement of the controller itself.

### **About SNK PLAYMORE USA CORPORATION**

Headquartered in Osaka, Japan, SNK PLAYMORE CORPORATION (SNK) develops, publishes and distributes interactive entertainment software in Japan, North America, Europe and Asia. Founded in 1978, SNK is one of the largest privately held interactive
