Sales Contact: Glenn Halseth glennh@top-gear.com

Players: Single Player

### **Short Game Description:** (73 words)

Players suit up as Batman, one of the most popular comic book characters ever created, to face some of the most infamous villains Gotham City has ever encountered. In an original story line created by DC Comics that has an underlining conspiracy theme permeating the plot, gamers must use both intellectually stimulating detective elements and physical skills to rid Gotham City of gang war and solve the puzzle behind Police Commissioner Gordon's disappearance.

### **Features:**

- An original Batman storyline created by DC Comics
- Character and story development unfold via full motion cinematic sequences (cut-scenes)
- Multiple stages of the game include Batcave, Gotham City, the Underground Sewers and Arkham Asylum
- Innovative and state-of-the-art graphics from some of Hollywood's best design firms
- A multitude of tools and gadgets, including the renowned "Batman Utility Belt" can be used to aid in eluding or apprehending criminals
- Groundbreaking stealth game animation elements including tailing enemies, leaning against walls and peaking around corners
- A highly rendered state-of-the-art bat cape with tactile pulse feedback indicating blocked blows or deflect shots
