Game Description:

Hop in to a great new adventure that combines classic *Frogger* gameplay with innovative new features!

Join *Frogger* as he faces a range of ferocious foes in his greatest adventure ever. Introducing 8 expansive worlds each with a wide range of enemies and obstacles that *Frogger* must overcome. With innovative gameplay features, including captaining a space ship through asteroid fields, plus the classic arcade game, *Frogger* offers challenges for gamers of all types.

Key Features:
- Based on the best-selling *Frogger* franchise with one of the most memorable characters of video game history
- A wide range of unlockable features including hidden characters, a blooper reel, gameplay areas and cheat codes
- *Frogger* navigates on his snowboard, steers his mine cart, captains a space ship and goes other places you would not expect to find a frog
- Multi-player mode that allows up to 4 players to compete in mini games
