

Driven from Earth by a hostile force known only as The Armada, the six remaining tribes of Earth search for a new home as they're pursued relentlessly throughout the galaxy. The Alliance, made up of Terran, Nomad, Eldred, Scarab, Drakken, and the Vorgan tribes, have rallied to crush The Armada once and for all.

**Armada 2: Star Command** is the sequel to the smash hit Armada for the Dreamcast. Wage war against The Armada in single-player missions, or multiplayer co-op with up to four players. With hundreds of hours of gameplay, an ever-changing environment, and fast-paced, explosive action, **Armada 2: Star Command** will give you an adrenaline rush like nothing you've felt before.
