

MIDWAY SPORTS ASYLUM™

GRAVITY GAMES™ BIKE: STREET. VERT. DIRT. Fact Sheet

Gravity Games™ Bike: Street. Vert. Dirt. showcases the edgiest bike action available for the next-generation systems. Officially licensed by Gravity Games™ -- the premier action sports, music and lifestyle festival -- Midway Sports Asylum™'s all-new action sports videogame delivers the intensity of one of the hottest adrenaline sports today with a combination of edgy fantasy tracks and riders mixed with cool trick and combo systems, real pro riders, motion-captured moves and authentic Gravity Games tracks.

A variety of challenges and obstacles await gamers as they attempt to master the ten wide-open, fully 3D courses. Players can compete in the Gravity Games™ on any of the authentic, licensed Gravity Games™ tracks or free-ride one of the graphically detailed fantasy courses – Acid Factory, Train Depot, Oil Refinery, Mount Magma and others. Fuzzy Hall's custom backyard dirt course is also an exclusive feature in *Gravity Games™ Bike: Street. Vert. Dirt.*

Striving for the Gravity Games™ gold, riders must compete in ten intense courses, each filled with death-defying challenges and obstacles. Riders must also perform and master more than 1,500 distinct land and air tricks including Flairs, Front Flips, Decade Airs, Bloody Boogers, Indian Airs, Bar-Spin-Disasters and No-Footed Candy Bars.
