**Overview/
Storyline** The legend lives on. For the first time ever, players can fight as the one and only Bruce Lee on a next-generation video game console. The game features a richly-detailed storyline in which Bruce battles multiple enemies to rescue his kidnapped father and retrieve the mystical Golden Relic, keeper of ancient martial arts secrets. Motion capture technology authentically recreates more than 100 of Bruce's Jeet Kune Do moves. Designed exclusively for Xbox, it's an action-packed fighting game with where players battle hordes of thugs in an epic struggle for survival.

- Features**
- Superior graphics, dynamic lighting and original music from the Black Eyed Peas.
 - Fight multiple opponents "Bruce Lee-style" with a unique enemy lock-on targeting system.
 - More than 30 different enemies each with different AI routines where enemies surprise, surround and ambush the player.
 - Punch, Kick, Block and Combo with more than 100 moves in Jeet Kune Do made possible by motion-capturing one of Bruce Lee's students.
 - Innovative Move Upgrade System where players purchase new moves and gain new power from defeated enemies.
