

Ace Combat™ 5 (Working Title) Key Features

New **'Wingman Command'** feature enables you to issue tactical instructions to your squadron while in flight and carry out coordinated group attacks.

Epic, branching storyline contains over 30 wide-ranging, action packed missions including bombing campaigns, high altitude pursuits and aerial dogfights. Plus, incredible fully rendered CG cut scenes pulling the player deeper into this epic adventure.

Realistic flying experience - soar to new heights in over 50 of the world's most advanced fighters - licensed from leading manufacturers including Boeing.

Stunning graphics - ultra-realistic and beautifully rendered in-game graphics including real-time weather effects and dynamic lightning.

Twice as big as Ace Combat: Distant Thunder with missions covering huge map areas, some as large as 100km².

Multiple gameplay modes - including the instructive Tutorial mode, and the immensely popular Story mode.

Meet mission specific criteria to unlock secrets, new aircraft and win medals.
