

THE CSI TEAM

Gil Grissom (played by William Petersen)

Head of the CSI Department.

Specialty: Entomology.

"Working the night shift in Vegas is a little like waking up inside a Fellini movie, but you'll get used to it."

Catherine Willows (played by Marg Helgenberger)

Specialty: Blood-splatter analysis.

"Welcome to CSI. You believe this insanity? Lots to do. Let's keep our eyes - and minds - open."

Nick Stokes (played by George Eads)

Specialty: Hair and fiber analysis.

"Let's go see where reality messed up the fantasy."

Warrick Brown (played by Gary Dourdan)

Specialty: Audio/visual analysis.

"Warrick Brown's first rule: it all comes down to the shoe prints."

Sara Sidle (played by Jorja Fox)

Specialty: Materials and element analysis.

"How about you drop the act and stick to the facts?"

Greg Sanders (played by Eric Szmanda)

Former Lab Technician turned CSI

"Hey, this isn't amateur night."

Jim Brass (played by Paul Guilfoyle)

Captain of the Homicide Division

"That's what we call around here a theory - which is what it'll stay. Unless you come up with some supporting evidence."

Dr. Robbins (played by Robert David Hall)

Chief Medical Examiner

"I hope you aren't squeamish, because the body of evidence on any murder case starts with the body as evidence."
