

POSITIONING

TY's back to put the BOOM in boomerang!

DESCRIPTION

TY the Tasmanian Tiger 2: Bush Rescue sees the return of everyone's favorite hero from down under in an all-new fun and dangerous Australian adventure. It's your mission to once again stop the evil Boss Cass and his menacing minions from destroying the world. Do whatever it takes to take back the Outback—purchase weapon upgrades, chase down enemies in suped-up air and land vehicles, battle baddies in high-tech Mechs, and much more. Explore a wide-open, go-anywhere world with TY, the Tasmanian Tiger.

KEY FEATURES

- Take on Boss Cass and his evil army with an arsenal of 18 upgradeable boomerangs, including the Lasharang, Kaboomarang, and Megarang.
- Sink your chompers into 32 missions set in an enormous world that includes deserts, billabongs, sunny beaches, and country towns.
- Collect precious opals and trade them for upgraded weapons. Those bad guys won't know what hit 'em!
- Find yourself up against a large number of enemies? Climb inside a Mech unit and turn the tide of battle with a barrage of lasers or water. The Mechs can also help you complete tough mini-missions by flying, lifting heavy objects, and more!
- Grab the controls of the Jet Bunyip and off-road trucks as you take on driving and flying missions that test your combat and puzzle-solving skills.
- Explore the Outback by foot or vehicle in an open world filled with adventure and danger around every corner.
- Don't worry, TY, you're not alone—a cast of outrageous characters indigenous to the Outback are on hand to help you in your quest to beat the evil Boss Cass.
