

AEROWINGS 2: AIR STRIKE

Selling Points

- This is the final word in combat flight sim with jaw-droppingly realistic, physics, accurate damage models,
- Maximum replayability with 4 modes of play:
 - Fighter Pilot Missions: Join the academy as a cadet and earn your wings by completing special control, tactics and weapons training – over 30 missions in all!
 - Tactical Challenges: Think you've got skills to fly with the big boys? Here's your chance to prove it in 15 unique flight competition stages that will put your training to the test.
 - Free Flight: When the pressure gets too intense just hop in your favorite ride and soar. Choose from a variety of flight arenas, weather conditions and time of day. If you get lonely you can always invite a couple of enemy fighters over to play...
 - VS Mode: You and a friend can go head-to-head in white knuckle, high altitude, multi-player action. Select your craft, choose an arena, set the battle parameters and go!
- Choose from over 25 of the very best Japanese and US fighter jets including the F-1, F-2, F-14, UF-104J, F-15DJ Aggressor, F-16 and the F-86F.
- Pick the view that's best for you with over 12 "in-game" camera angles and whopping 20 camera angles in the cinematic "Replay Theatre"!
- Personal data keeps track of the flight time, kills, crashes, missions and hours flown of all of your pilots, and even sorts them by plane type!
