AEROWINGS 2™ AIRSTRIKE

Platform: Sega Dreamcast

Publisher: Crave Entertainment

Developer: CRI

Genre: Air Combat Sim

Launch Q3, 2000

Tone: The most accurate, most advanced, most adrenaline-pumping combat flight sim ever created for a gaming console!

AEROWINGS² AIRSTRIKE

Game Features

- The the last word in air combat with realistic physics, stunningly detailed aircraft, deep flight controls and total customizability.
- Select from a complete arsenal of jet fighters, including the F-1, F-2, F-15DJ Aggressor, F-16 and the F-86F.
- Pick the view that's right for you with over 12 "in-game" cameras and whopping 20 cameras in the "Replay Theatre"
- Re-write history by restarting a saved mission from any point.
- Packed with every option, including standard or professional control sets, blackout/red-out and variable tension control.

AERO WINGS 2

AIRSTRIKE

Game Features

Four massive gameplay modes:

- **Fighter Pilot Missions:**

Earn your wings by completing special control, tactics and weapons training - over 30 missions in all!

- **Tactical Challenges:**

Test your skills in 15 unique flight competition stages!

- **Free Flight:**

Pick a flight arena, weather conditions, time of day and soar! Want some combat? Invite a couple of enemy fighters over to play...

- **VS Mode:**

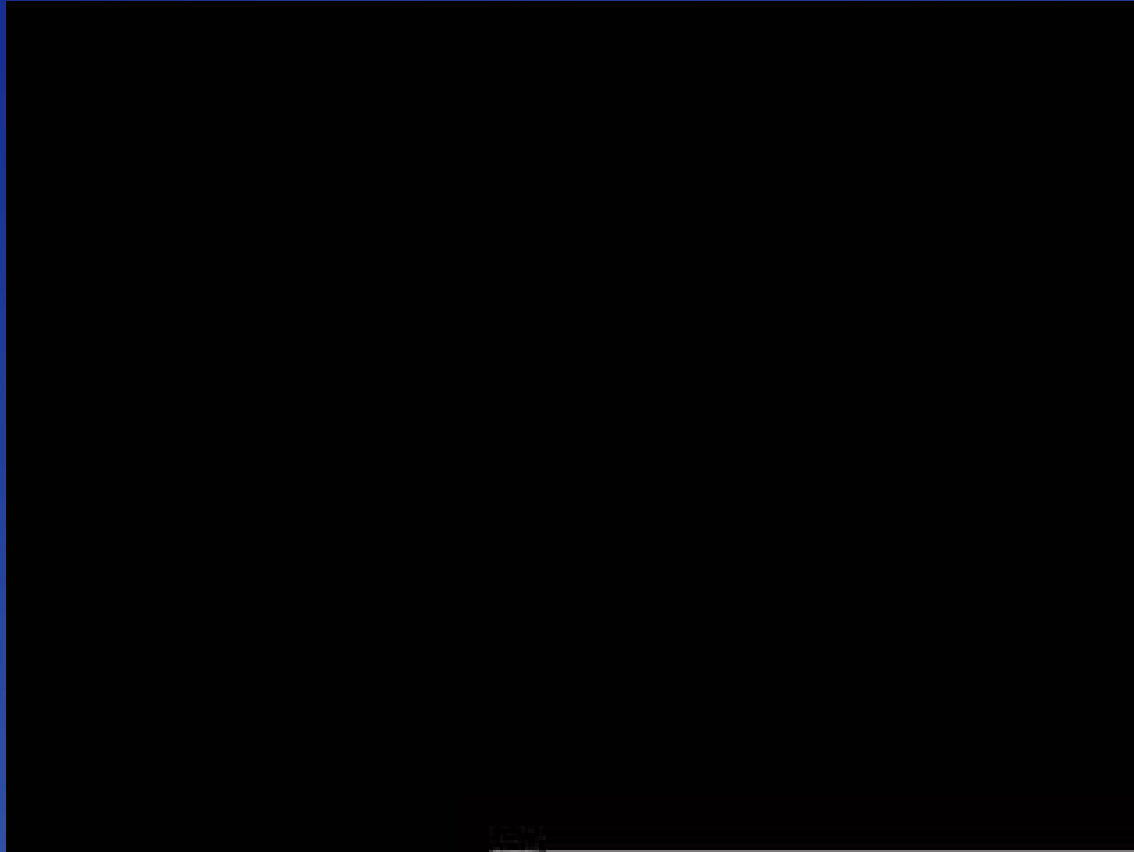

Go head-to-head in white knuckle, high altitude, two-player action!

AIRSTRIKE

Press Reaction

"This game has everything combat flight sim fans could possibly ask for!"
- www.GAMING-MEDIA.com

"AeroWings 2 from Crave and CRI is looking rather sharp graphically."
- *Electronic Gaming Monthly*

"With seven maps. More camera options... and a virtual arsenal of planes, there's enough here to satisfy even the most diehard flight sausages out there."
- *Game Fan Magazine*

"If you are looking for some slick airborne battling, keep an eye on this potential winner due out this fall"
- DC.IGN.com
