

“This game has everything combat flight sim fans could possibly ask for! “
www.gaming-media.com

“AeroWings 2 from Crave and CRI is looking rather sharp graphically.”
Electronic Gaming Monthly

“With seven maps. More camera options... and a virtual arsenal of planes, there’s
enough here to satisfy even the most diehard flight sausages out there.
Game Fan Magazine

“If you are looking for some slick airborne battling, keep an eye on this potential winner
due out this fall”
DC.IGN.com
