

Rifts

Genre: Strategy RPG
Publisher: Nokia
ESRB: Rating Pending
Multiplayer: 2-4 Bluetooth, 2 GPRS Head-to-Head
Street Date: Summer 2005

Game Overview:

For the first time ever, the Rifts World (based on Palladium Books license) is coming to the video game world. Rifts is a strategy role-playing game with an immersive, complex story, in-depth character evolution, tactical turn-based combat and the ability to battle other players over GPRS on N-Gage Arena and the opportunity to campaign co-operatively over Bluetooth. Gamers explore the Rifts world while assembling a party of characters ranging from the metal behemoth Glitter Boy to the psychic Mind Melter.
