

## Xanadu Next

**Genre:** Action/RPG  
**Developer:** Falcom  
**Publisher:** Falcom  
**ESRB:** Rating Pending  
**Multiplayer:** 1-4 Players via Bluetooth  
**Street Date:** Q4 2004

### Game Overview:

With over 400,000 copies sold of the PC version, Falcom brings its masterpiece role-playing game to the N-Gage. The game begins with darkness looming over Xanadu, where splendour once flourished. King Dragon Galsis has resurfaced from the abyss, and monsters take over the earth. Simultaneously, Momo, the daughter of the displaced village's mayor, is abducted. Gamers are challenged to find Momo and her kidnappers.

### Key Features:

- Fast-paced action combined with RPG type stats-building.
- Real-time combat.
- Story-based puzzle elements.
- One-four players via Bluetooth.
- N-Gage Arena ranking system.
