

DigitalVision License

Web License - single user

The Web License specifically allows you the use of a single image for website and multimedia design projects, electronic presentations, and comp and preview only. This Web License is granted as an addition to our Full License Agreement.

Editorial License - single user

The Editorial License grants you the specific use of the image for complementary editorial content purposes in magazines and newspapers only. You have no license for the image's electronic or physical distribution. This license includes the Web License. For full usage of the image you will need to purchase the image against the Non Editorial License. This Editorial License is granted as an addition to our Full License Agreement.

Non Editorial License - single user

The Non Editorial License grants you full usage of the image for; printed materials including newsletters, magazines, brochures, annual reports, sales tools and advertising, marketing and promotional campaigns, packaging, point of sale material and resale products. Books and electronic presentations are also included. You have no license for the image's electronic or physical distribution. This Non Editorial License includes the Web License and the Editorial License. This Non Editorial License is granted as an addition to our Full License Agreement.

Our CD Browser license program is simple and straightforward!

The Digital Vision Browser CD-ROM. You can comp and preview all the low resolution images you want, but you just can't use these images in any final projects including website, on-line or multi-media projects! (Note: The same restrictions apply for preview/low resolution images you download from our website.) So what can you do with the 10 bonus high resolution images included on the Browser? Go for it! You can use them in any final projects, just make sure that you follow the Basic License guidelines listed below.

Digital Vision Basic License

When you purchase and register a Digital Vision title, you are licensed to use the images in any of the following final projects; printed materials including newsletters, brochures, annual reports and sales tools advertising and promotional campaigns editorial works including magazines, newspapers and books presentations on-line, web-site and multimedia design projects (resolution may not exceed 72dpi) and packaging for resale products. Just a few more General Guidelines. No 300dpi images (Mid, High and Super Hig Res) can be placed on-line in a downloadable or FTP format. It is a violation of the legal agreement to use these images to create pornographic, libelous, obscene or defamatory designs or images.

We kindly request a credit that reads '© Digital Vision'. Thanks!

If you would like clarification on any point to do with our license agreements, please call us at +44 (0) 20 7378 5500
