🎎 Marv's Music Themes 🎎
Elton John

This music theme is dedicated to the pop singer, Elton John. In terms of sales and lasting popularity, Elton John was the biggest pop superstar of the early '70s. He could dip into soul, disco and country, as well as classic pop balladry and even progressive rock. His versatility, combined with his effortless melodic skills, dynamic charisma and flamboyant stage shows made him the most popular recording artist of the '70s. Unlike many pop stars, John was able to sustain his popularity, charting a Top 40 single every single year from 1970 to 1997. His latest, Candle in the Wind 1997, has become the #1 selling single of all time.

All sounds were recorded in 16-bit compressed stereo . The wallpaper was made in 800 x 600 high color. All cursors are animated. I have included 3 additional sounds for internet use. They are Elton Welcome, Elton Mail & Elton Goodbye. You can set them up in the Control Panel / Sounds.
