

Fire Fight™ Shareware Version 1.0

Ordering Information

This shareware version of Fire Fight is only a portion of the entire game. Continue your mission by purchasing the full version of Fire Fight today! The full version of Fire Fight is distributed in retail stores by **Electronic Arts**, and is also available directly from **Epic MegaGames**.

What is Shareware?

Shareware is software you can try before you buy. We encourage you to share this sample of Fire Fight with all of your friends. If you like Fire Fight, you can purchase the full version from in the nearest computer retail store or directly from Epic. Epic has become a huge success because millions of great customers like yourself support shareware. The money you pay for the full edition of Fire Fight and other Epic shareware games allows Epic and its developers to continue creating and publishing better shareware games.

Why Purchase Fire Fight?

By purchasing Fire Fight, you'll get:

- 14 additional single-player missions! (18 missions in all)
 - 5 additional multiplayer war-zones! (6 in all)
 - New 3D rendered landscapes. (3 new worlds)
 - Incredible Hi-res (640x400) graphics.
 - Even more 3D rendered enemies.
 - More environmental effects including clouds, rain, snow and lightning.
 - A rockin' CD audio soundtrack
 - An adrenaline rush like no other game provides!
- **When you order directly from Epic, you also get a FREE bonus game!**
