

CRASH BASH

London, May 2000, Sony Computer Entertainment Europe is pleased to announce the return of Crash and his friends in the sure fire hit of Christmas - Crash Bash.

Scheduled for release in December 2000, Crash Bash sees Crash and his friends (and foes) back for more fun and games. They're ready to ride, race, jump and battle it out to the finish. It's a "win at all costs" competition that tests your skills, agility and perseverance.

Crash Bash is an arena-based battle game consisting of seven four-player competitive events. Select from 8 different characters including Crash, Coco, Dingodile, Tiny, N. Cortex and N. Brio.

World peace is about to be disrupted once again as the forces of good and evil clash. Aku Aku and Uka Uka call upon their teams to battle it out and determine who shall seal the fate of the world once and for all. Let the games begin!

- **Action Extravaganza!** The gameplay will vary between fast-paced, intense, head-to-head battles to adrenaline-rushing races for points. You'll have to think fast and play fast and do whatever it takes to win!
- **All-time favorite characters** - get ready to rumble. Select from Crash, Coco, Dingodile, Tiny, N. Cortex and N. Brio.
- **Variety of Play Modes** - Adventure, Battle and Tournament modes deliver nothin' but fun! Take on the CPU in Solo or Team play or plug in the Multi Tap and show your friends who's really top bandicoot! Change your difficulty setting from Normal, Hard, Expert and Ultimate - are you ready?
- **More than 30 competitive events** will keep you playing for days!
- **Tons of moves** - walk, run, kicks, spins, pick and throw, jump, shoot, ride vehicles and animals, etc.
- **Get Ready, Set, Go!** Training Area keeps you in shape and prepares you for the most intense, exhilarating battle of a lifetime!
- **Enjoy signature Crash-style gameplay** with animated characters, humorous antics, animated actions, brilliant and vivid worlds, frantic battles, heart pumping chases, exploration, adventure and puzzles - a game that's fun for the entire family!
- **Hidden Bonus Levels** will add a whole new dimension to the game!
