

DISNEY'S THE LITTLE MERMAID II

Key Features

- Platform adventure inspired by the hugely-successful Disney's Classic, Little Mermaid and the video sequel "Disney's Little Mermaid II"
- 3D Adventure Game with underwater and land based levels
- Environments from the original film stunningly recreated in 3D, making each level a joy to explore
- In-game footage from the movie Little Mermaid and exclusive new video sequences from Little Mermaid II created to introduce key plot points and major level objectives.
- Starring all your favourite characters from Disney's Little Mermaid and new ones from Little Mermaid II like Melody, Ariels' daughter.
- Includes music and songs from, and inspired by, the movies.
- The player controls Ariel or Melody according to the level
- The chapters are themed and based on the events that occur in The Little Mermaid (chapter 1) - the original movie and The Little Mermaid 2 (chapters 2 & 3) - the video sequel
- Each of the levels portrays a scene from Ariel & Melody's adventures
- Levels are presented in a 3D environment but limits the movement to left, right, up & down through the levels, which makes the game easy to play for beginners
- Along the way, Ariel/Melody can collect items that can be used to solve puzzles in her quest
