

GAME DESCRIPTION

As the sequel to the more than one million unit selling and award-winning football experience, *BLITZ: THE LEAGUE II*, continues the franchise legacy as the ultimate alternative to the watered-down, licensed competition. In addition to an all-new story mode penned by Peter Egan (ESPN's Playmakers), *BLITZ: THE LEAGUE II* features include: Precision-Aim Tackles, player-controlled touchdown celebrations, an enhanced on-the-field Clash Mode, online multiplayer capabilities, expanded rosters with all-new personalities, and the return of a cornerstone of the Blitz franchise...Late Hits! Football legend Lawrence Taylor returns as the game's cover-athlete and star linebacker for the New York Nightmare, Quentin Sands, along with a star-studded supporting cast.

KEY FEATURES

PRECISION-AIM TACKLES

For the first time ever in the Blitz franchise, take control of the new hit-targeting control system to inflict serious pain on explicit areas of your opponent's body.

REALISTIC INJURIES & THE RETURN OF LATE HITS

Featuring all-new vicious tackles and gruesome injuries, including the return of late hits and new three-man tackles that pack the power to shatter helmets, crack bones, tear crucial ligaments, and send teeth flying.

ENHANCED CLASH MODE & TOUCHDOWN CELEBRATIONS

An enhance Clash Mode is triggered with a single-button, allowing players to slow the competition and unleash special offensive and defensive maneuvers. After collecting pay-dirt, trigger the player-controlled touchdown celebration and let the fans know who deserves the green.

CAMPAIGN MODE

As the only videogame with a story mode exploring the darker side of pro sports, *Blitz: The League II* puts the player in complete control as he ventures through brutal on-the-field competition and entertaining off-the-field drama in his quest to reach the League Championship. Peter Egan (Playmakers) returns to pen the most entertaining Blitz storyline yet.

ONLINE COMPETITION & DOWNLOADABLE CONTENT

Available modes include an all-new Campaign Mode, Quick-Play Versus, and fully-featured Online Modes.
