Congratulations! You have successfully completed the free online offering of Automata, offered April through June 2012. To successfully complete this free online class, students were required to watch lectures, complete homeworks and automated exercises, and take a final exam. According to our automated system, your scores on these components were as follows:

Homeworks: **33.0** out of a maximum of 37
Programming Assignments: **20.0** out of a maximum of 20
(optional)
Final Exam: **143.0** out of a maximum of 170
Scaled total[1]: **86.7** out of a maximum of 100

We thank you for your interest in studying Automata, and for participating in our ambitious experiment to deliver quality educational content to a worldwide audience.
