Biographical Information

Stage One is the start of the questionnaire and is for getting general information about the student.

Name and Address

Do not advance until all boxes have been filled.

Non U.S. Residents

If you are not a resident of the United States, select OTHER from the State box, and use the City box for your city and country.

Age

Use the horizontal bar to select your age.

Gender and Martial Status

Use the radio buttons to select one of the options. If you are about to be married in the next year, select the Married option.

Educational Information

Stage Two is needed to find out basic information about the student.

Type of Student and **Class Rank**

Select both the TYPE OF STUDENT you are and your CLASS RANK that applies to you. The College Finder's Scholarship Search will search for all scholarships for the remainder of your education.

Example:

If you are currently a sophomore, the search will include scholarships for juniors, seniors and even graduate study.

Non-Students and **GED**

If you are currently not a student, select the highest schooling you have achieved. If you have a GED high school equivalency, select High School and Senior.

Grade Point Average

Types of Financial Aid

Stage Fifteen is to select what type of financial aid The College Finder's should search for.

Select as many as you wish.

Scholarships, Grants and Awards.

These types of aid are given to the student are not expected to be paid back. Many of these are renewable.

Employments, Fellowships and Research

These types of aid gives the student a job or project that usually related to the your area of study. The money earned is used as financial aid.

Loans

This is money given to the student; however, it is expected to be paid back after the student graduates or leaves school.

Athletic Scholarships

These are for athletes, based on area of study, their grade point averages and the sport the student participates in.

You have Finished

You have completed The College Finder's Electronic Questionnaire. You may now:

Print The Results - This will create a printout to be mailed back to the College Finders. We will then search our databases for a small fee.

Save The Results - This will save the completed questionnaire in an ASCII format for later printing.

Quick Search - Along with this program is a database of over 2000 scholarships. You will be given a listing of the financial aid packages you potentially qualify for. This listing represents less than ten percent of our entire database.

Caution: Your data cannot be saved. You must either print out your completed questionnaire or save it to an ASCII file.

Quick Search

We have included a small portion of our database (about 10,000 organizations) and it could be searched.

In the Quick Search, you will receive only the names of the organizations, not the addresses or any requirements of the financial aid packages they offer. When you return the results of the Electronic Questionnaire to us and have us search our database, you will receive the names addresses and the exact requirements of the financial aid packages that you potentially qualify for.

Federal and State Addresses

The purpose of this section is to give you the important addresses of the federal and state financial aid organizations.

The three addresses given are the:

Federal Information

These regional offices provide information on all federal programs.

State Grant Information

These offices provide information on all state-based programs like the Pell Grant and the FSEOG.

State Loan Information

These offices provide information on all state-based programs like the Stafford Loan and the Perkins Loan.

All students should write to all three of these addresses for their state. Never overlook the wealth of money from these federal/state sources.
