Terms under which this rating is provided:

1. You agree that your responses, which will be used to rate this product, are complete, accurate and take into account all content in the product submitted for rating.
2. ESRB reserves the right to revise or revoke the original rating assigned to your product if ESRB determines it is not the appropriate rating for that product.
3. If ESRB revises a rating after it is assigned, you will be notified. It is your responsibility to contact all storefronts in which your product appears, advise them of the new rating, and request that the rating information for your product be updated promptly. ESRB reserves the right, however, to contact those storefronts offering your product and itself request that the rating information be promptly updated.
4. The rating icons are registered trademarks of ESRB and may be used only when assigned by ESRB and only for purposes of informing consumers about the content and age-appropriateness of the product.
5. If you feel the wrong rating was assigned to your product, you may appeal directly to the ESRB by using the "appeal" link provided.
6. Updates to your App need only be submitted for rating if the updated material would alter any of your original responses.
7. This rating is only valid for the exact title listed on this rating certificate. Any change made to the title requires a new submission and a subsequent new rating certificate for the product. This includes minor changes (e.g., adding the word "Free" or "Pack 2").
8. For the benefit of consumers, ESRB strongly encourages the use of the assigned rating wherever the

product is available, as well as in all advertising and marketing materials per the ARC Manual.
