

The following files should be included in the Second Conflict Demo ZIP file:

SCW.EXE the windows-executable game program
SETUP.EXE windows-executable to set up an icon in the
 Program Manager Games Group
STARCTL.DLL a support file
SPINCTL.DLL " " " "
SCW.GIF cover art for the retail SCW box - GIF format
 (not in CompuServe(tm) versions)
SCW.HLP hypertext Windows Help file
PRODIGY.TXT a review from PRODIGY(tm) and Computer Gaming World

Unzip the files into a directory of your choice. From the Windows Program Manager, select FILE/RUN. Type the path and name of the SETUP.EXE program provided in this ZIPfile.

SETUP will run and install an icon in the Program Manager Games group for the Second Conflict Demo.

If you are not using or have replaced the Windows Program Manager, all you need to set up is the path for the SCW.EXE file.

You should read the help topics UNITS, COMMANDS, and PLAYING THE GAME to get started. Of course, the most vital help topic is JOIN THE REVOLUTION!...

If you are running DR-DOS 5.0, leave mail to CompuServe account 72750,567.

Most importantly, Have Fun!
