### SHAREWARE REGISTRATION INFORMATION:

INledit is a commercial software application distributed as shareware. This means that you may use and evaluate INledit for 21 days. If, after 21 days, you wish to continue using INledit you must send a registration fee of \$25.00 (U.S.) to the author. Otherwise you must stop using INledit and remove it from your system.

Payment must be in U.S. funds drawn from a U.S. bank. Foreign money orders and personal checks drawn on foreign banks will not be accepted due to the fees involved in cashing them. Cash is acceptable (isn't it always?).

A handy registration form is provided at the end of this document. Simply fill out the form, put it in an envelope along with your payment and mail it to:

Charles E. Kindel, Jr.  
22925 N.E. 12th Place  
Redmond, WA 98053

**NEW WAY TO REGISTER:** Type "GO SWREG" at any "!" prompt on CompuServe and you will be able to register WinPrint and many other shareware applications automatically! Your CompuServe account will be charged the shareware registration fee and your registration number will be sent to you via CompuServe Mail.

### LEGAL DISCLAIMER AND INFORMATION:

The accuracy of the information contained herein and the fitness of the INledit software program for any purpose may change without notice, and should not be construed as a commitment of any kind. No guarantee is made, expressed or implied pertaining to the use, misuse, or problems caused by this program.

**NOTICE! NOTICE! NOTICE! NOTICE! NOTICE! NOTICE! NOTICE! NOTICE!**

INledit is DESIGNED to modify Windows Initialization files. CAUTION must be used whenever you modify WIN.INI or SYSTEM.INI. There is little chance that INledit would corrupt one of these files,

but it is possible that they could be modified incorrectly by the user.

This could cause WINDOWS TO FAIL TO WORK or WORK INCORRECTLY...CAUSING LOSS OF DATA. BACK UP YOUR INI FILES REGULARLY!

---

#### VERSION HISTORY:

1.30 12/26/92

Added help file. Fixed some really minor bugs.

1.22 3/3/92

Same as Version 1.21. Version number changed so I can track distribution.

1.21 2/4/92

Now will default to INI file specified on the command line. This release is to be distributed along with the book "Windows 3.1 Power Tools".

1.20 9/30/91

Minor bug fixes. Now saves old screen position.

1.02 5/29/91

New address.

1.01 4/30/91

Fixed stupid bug with "Add... Section" where the new section would be added but an extra "=" sign would be inserted in the section.

1.00 4/29/91

First Shareware release. Finished docs. Fixed focus bug.

1.00.992 4/25/91

Release Candidate 2. Fixed many bugs related to the

File.Open dialog box (thanks t-paulm). Now handles  
invalid files more gacefully. New Icon.

1.00.991 4/24/91  
Release Candidate 1.
