

Thank you for downloading QuinZip!

We cordially request that you not distribute QuinZip without the following original files.

Your QUINZIP.ZIP package should include the following files:

| Name         | CRC      | Length |
|--------------|----------|--------|
| quinzip.exe  | 4EA44C54 | 84640  |
| bwcc.dll     | 20976CE9 | 130224 |
| quinzip.hlp  | 97013311 | 45738  |
| register.app | DFCF4AB4 | 3408   |
| whisper.inf  | D0B770D2 | 4003   |
| read.me      | ----     | ----   |

QUINZIP.EXE The executable file that you must install in Windows.

BWCC.DLL A dynamic link library. It should be in the same directory as QUINZIP.EXE. If you already have a file by the same name, you can use it instead and save some disk space.

QUINZIP.HLP The help module that should be in the same directory as QUINZIP.EXE for on-line assistance.

REGISTER.APP QUINZIP is distributed as shareware. Your support is vital for its survival. This is the registration application. It can be printed as is; no modifications are needed. You can also register by calling (617) 237-4666.

WHISPER.INF Tells you how to register your copy of QUINZIP.EXE. It also contains information about obtaining a free copy of WHISPER, a new Windows telecommunication program available for a limited time.

READ.ME Is the file you are reading now!
