### 1.1 Warranty and Disclaimer

#### Licence

Carefully read the terms and conditions of this licence agreement before using the program. Use of the program indicates your acceptance of these terms.

#### Copyright and Shareware Notice.

The program and its associated documentation are copyright © 1994-6 Kevin Preece.

This software is not Freely distributable, it is shareware. If you use this software regularly you are required to pay the shareware fee of £10.00 (ten pounds sterling). Payment should be made to the address in the section

#### Contacting Me

#### Warranty

This software comes without warranty of any kind, to the extent allowed by applicable law. This program is supplied "asis" without warranty of any kind, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. Should the program prove to be defective, you will assume the cost of correction and repair.

Unless required by applicable law, or agreed to in-writing, neither the author nor the distributor will be liable for any damage caused directly or indirectly by the use, or inability to use this program. This includes but is not limited to damage to data, or data that is rendered inaccurate, or by an inability of this program to operate with any other.

#### Limitations

1. No part of the program, data or documentation files may be modified in any way. If translations are made of the documentation please contact me

first to save duplication of effort, and send me a copy of the translation so that I can include it with a future release.

2. No part of this program or its documentation or data files may be distributed as part of a commercial program or demonstration version of a commercial program without prior written consent from the author.

3. No charge may be made for this program, other than for the cost of the medium used to distribute the program and the costs of actually distributing it.

#### Trademarks

All trademarks acknowledged,

Windows and Windows NT are registered trademarks of Microsoft inc.

Amiga is a trademark of Amiga Technologies Inc.

UNIX is a trademark of AT&T Inc.
