### **GAME DESCRIPTION**

Bratz Ponyz 2

The Bratz Ponyz adventure

continues – this time with different ponyz to play with, new mini-games and more fun activities! Take a trip to the magical archipelago and have fun with the hippest horse friends a girl could ever have!

### **SYNOPSIS**

Combining every little girl's innate love of ponies with the high level of fashion the Bratz are famous for, the Ponyz are a dream come true for Bratz fans! Bratz Ponyz for Nintendo DS stimulates the player's imagination and creativity while satisfying their passion for fashion.

Explore the Ponyz' magic archipelago with your new favorite friends and get ready for some groovy groomin' as you help the Ponyz complete different agendas - all in the name of beauty and fashion! Along the way you get to meet the inhabitants, collect heartz and trade your Ponyz' fashion photographs with friends using the WiFi connection. So come and immerse yourself in the world of Bratz Ponyz - The Ponyz with a Passion for Fashion!

### **KEY FEATURES**

- Select, customize and play with some kickin' new Ponyz – Each full of sass. Choose between Carmelia, Adara, Ambrosia and Brynesse and get a helping hand from the Ponyz from the

first NDS game – Bonita, Pursia, Céleste and Sashay.
