

## **BUILD YOUR OWN PARADISE!**

You're shipwrecked on a deserted island! Starting with an abandoned farm, a handful of seeds, and the determination to start a new life, it's up to you to tame the land and make the island prosper! By farming crops, raising animals, and mining for precious gems, you'll help the island grow into a vibrant town bustling with people, businesses, and eligible bachelors and bachelorettes. Are you a good enough farmer to turn this island into a paradise?

- Play as a boy or as a girl!
- Attract settlers by building your farm!
- Fall in love and start a family!
- Explore the biggest portable Harvest Moon ever!
- Compete against other ranchers via Nintendo Wi-Fi Connection!

**Available: Summer 2008**
