BRAND INFO

The Jeep® brand continues to be the only American brand dedicated solely to the sport-utility market. Customers expect every Jeep vehicle to set the standard for off-road capability. Jeep vehicles have been the transportation of choice for liberators and adventurers for over 5 decades now. With brand strongholds like the Grand Cherokee® and the Wrangler®, the Jeep brand expanded in the last few years, adding to their lineup with new Jeep models like the Commander® and the Patriot®. The brand is also renown for events like the “King of the Mountain” World Ski Championships—bringing Jeep vehicle owners & lovers to the outdoors.

OVERVIEW/STORYLINE

Jeep® Thrills brings the excitement of intense off-road racing into the home while incorporating the rugged style and attitude quintessential of the Jeep brand experience.

FEATURES

- Nearly 20 drivable custom-colored Jeep® vehicles—from the classic World War II body style to action-oriented concept cars.
- 36 unique outdoor race tracks.
- Course spread over six diverse environments— race through hilled jungles, frozen tundra, and treacherous mountain conditions.
- Multiplayer mode allows two players to compete head-to-head in split screen mode.
- Find the secret passages on each race track to improve lap times.
