RP

## PUZZLE EXAMPLES

- **Word Mine**—player is presented with six jumbled letters and given 90 seconds to create as many 3-6 letter words as possible.
- **Word Link**—player is shown a board of letters from which they have to create as many words as possible from connecting letters in 90 seconds.
- **Word Safe**—player creates words from two circles of letters surrounding a central letter; the outer wheel can be rotated for new word possibilities and combinations

## FEATURES

- Each puzzle presents a unique challenge, and players will have to master them all to become the ultimate Word Brain.
- Word Brain mode pits the player against all six of the games in succession. Their score is recorded so players can track their progression as they play again and again.
- Easy to use menus and gameplay make Margot's Word Brain a game that is accessible to gamers of all ages and experience levels.
- Game tracks high scores so players can compare and compete with friends.
