<b><u>Multiplayer:</u></b>	Yes
<b><u>Rating:</u></b>	Everyone

### **Overview:**

For endless generations, the Slimes and the Axons have been engaged in a bitter rivalry over land. Every 40 years, the two nations wage war on each other as part of a ritual to redefine their territorial boundaries. While every Slime and Axon is hastily preparing for the dangerous times ahead, Slimey, a young slime, is simply trying to uncover the reason why this ritual ever began.

### **Features:**

- Classic side-scrolling action
- Gameplay that focuses on emotions
- Highly interactive environments perfect for the Nintendo DS platform
- A heartfelt story about a young Slime's coming of age amidst an epic battle
- 5 worlds each within their own distinctive environments
- Unique controls that utilize every part of the Nintendo DS - touch screen, stylus, and microphone
- Gameplay experience unmatched by any other Nintendo DS game
