

NATIONAL
GEOGRAPHIC™

PANDA

IT'S PANDA-MONIUM!

Learn about real-life Pandas as you feed, nurture and play with your very own Panda! Choose from cute and cuddly Baby Pandas or giant Great Pandas and play with them as they learn new skills. Discover fun panda facts from real National Geographic stories that appear as you progress through the game!

FEATURES

- **Interact with pandas** – play with, help, teach and nurture your very own cute panda bear
- **Learn about pandas** – view pictures and read stories about real-life pandas from the National Geographic archives
- **Nurture your panda** – your panda's habits change with how you treat and play with it
- **More pandas** – as your panda develops, new baby pandas will join him in Panda Park
- **Play in real time** – graphics and sounds change according to the time of day
- **Fun playground toys** – have fun playing with familiar playground equipment like a tire swing, a see-saw, slides, and more
- **Advanced shopping features** – let your daily allowance grow and go on a shopping spree, buy panda food and toys immediately or order items by mail via Panda Delivery
- **Simple UI** – interact with your panda with a single touch of the stylus pen, simple controls allows you to focus on interacting with your panda
