CHARACTER OVERVIEW - ETHAN MARS

ETHAN MARS - OVERVIEW

Ethan Mars is a young architect, living on the east coast of America. Two years ago, he lost his eldest son in a car accident that left him in a coma. Once a successful and happy family man, Ethan is now grief-stricken and depressed; separated from his wife Grace, and distant from his other son, Shaun.

As a result of his injuries in the accident, he experiences strange blackouts - waking in an unfamiliar place with no memory of how he got there. Still suffering from these strange after-effects, Ethan is thrown into a nightmare when Shaun disappears - it seems that he may have become the next victim of the 'Origami Killer'.

Initially depressed and listless, Ethan will find reserves of strength and bravery, as he is forced to confront the question of just *how far* he is prepared to go to rescue his son. In doing so, he may be able to finally find redemption from the guilt and grief he feels.
