

Hitoshi Yamagami

Manager, Software Group No. 1
Software Planning & Development Department
Software Planning & Development Division
Nintendo Co., Ltd.
Kyoto, Japan

Hitoshi Yamagami was born in Daito-City, Osaka-prefecture, in 1966. He began working for Nintendo in April 1989. Yamagami has worked as a producer on a variety of games, including multiple games in the Fire Emblem series, such as *Fire Emblem Awakening* for Nintendo 3DS, multiple games in the *Pokémon* series, including *Pokémon Black Version 2* and *Pokémon White Version 2* for the Nintendo DS family of systems, and *Kirby's Return to Dream Land* for the Wii system. He is also the producer for *Pokémon Rumble U* for the Wii U system.

Yamagami is a graduate of the Department of Electronic Engineering of Tokai University.
