

Yoshiaki Koizumi

Manager / Producer of Tokyo Software
Development Group No. 2
EAD Tokyo Software Development Department
Entertainment Analysis & Development Division
Nintendo Co., Ltd.
Kyoto, Japan

Yoshiaki Koizumi joined Nintendo in April 1991 and currently works from Nintendo's Tokyo offices. When he first joined the company, he served as the director on key Nintendo 64 titles such as *Super Mario 64* (assistant director), *The Legend of Zelda: Ocarina of Time* and *The Legend of Zelda: Majora's Mask*, as well as the well-received Nintendo GameCube titles *Super Mario Sunshine*, *Donkey Kong Jungle Beat* and *Super Mario Galaxy*. In his recent projects, he served as the producer of *Flipnote Studio* for Nintendo DSi, *Super Mario Galaxy 2* for Wii and *Super Mario 3D Land* for Nintendo 3DS.

Koizumi was born in Mishima-City, Shizuoka-prefecture and is a graduate of the Visual Concept Planning Department of Osaka University of Arts.
