## Main Menu

After you have started the holiday quiz program, you will see its main menu:

The quiz is quite easy to use. Just pick which answer you think is correct by typing or clicking A, B, C or D. You will know once a choice is made by the fact that your selected answer will be listed as shown in the following illustration:

As you can see in this illustration, the player has selected "A."

After you have made your choice, click on "OK." . A happy or unhappy noise will let you know whether your answer is correct. If you have the wrong answer, you will be shown the correct one:

The program keeps track of your score.

From time to time we will have more quiz questions available at no charge to purchasers of this program at our web site, [www.cosmi.com](http://www.cosmi.com).

Thank you, and enjoy the quiz.
