Authors of some icons and screensaver are unknown.
Price: Free for personal and non-profit use

Theme Components:

This theme consists of wallpaper for 800x600 screen resolution, a set of cursors,
icons, screen saver, wave files for all Window events, SYS files (start-up & shut-down
screens). Theme is best viewed in 16-bit or 24-bit color (high color settings).

I hope you enjoy this theme. For installation instructions, see below.

INSTALLATION:
----
 1) Open the xmasglobe.zip file with WinZip.
 2) Just double click the icon and let the WinZip Wizard extract it.
 3) Select "Change Directory" and select C:\Program Files\Plus!\Themes\Xmas
Globe
 4) All files will be decompressed into that directory.
 5) Start the "Desktop Themes" program and select the "INSTALL" tab.
 6) Click on browse and go to C:\Program Files\Plus!\Themes\ and open the Xmas
Globe folder.
 7) Click one time on the icon that looks like a color palette and then choose
"OPEN" and then "INSTALL"
 8) Then click on the first tab called "THEME" and then hit "APPLY".
