OF THE

EARRING™

Inspired by *The Adventures of Sherlock Holmes*

Product Description

London 1895: A wealthy construction tycoon lies dead in his mansion. Join Sherlock Holmes and Dr. Watson as they interview suspects, investigate the crime scene and uncover family secrets that might point to the murderer. Play one of the most intriguing and captivating plots ever created for the Sherlock Holmes character. Clues will take players to Brazil, India, and to more than 40 19th-century London locations. *Secret of the Silver Earring*[™] allows players to experience a new murder-mystery adventure featuring the investigative skills of world's most famous detective, Sherlock Holmes.

Key Features

- **Play as Sherlock Holmes and Dr. Watson**
In a story inspired by Sir Arthur Conan Doyle's *The Adventures of Sherlock Holmes*, players will investigate a mysterious murder filled with plot twists and surprises. Other characters from Doyle's famous fiction will interact with players such as Inspector Lestrade, Mycroft Holmes and Wiggins.
- **40 different 19th-century London locations**
Play in a captivating environment that recreates London of the 1890s in rich detail. From the fog-laden city streets to the suburban mansions, 19th-century London comes to life in this visually captivating adventure.
- **Five graphically rich levels and a large number of in-game movies**
Each level requires players to search for evidence, question witnesses, investigate potential suspects and put their powers of deduction to the test. The in-game movies reveal more clues and help to advance the intricate plot. The movies climax with the final solution to the case.
- **Over 30 investigating hours of play**
Interview more than 40 witnesses with over three hours of dialogue. Use the laboratory to analyze the evidence. Consider your discoveries at the end of each level and answer Sherlock Holmes's carefully crafted questions.

- **Experience a suspense-filled story line with many plot twists and turns**

Who was Bromsby's killer? Was it his trusted advisor or maybe his seemingly loyal daughter, Lavinia? What about one of the mansion's servants or one of the party guests? As players uncover evidence, the list of suspects narrows and new secrets are revealed. It's a new and original story inspired by Sir Arthur Conan Doyle's famous fiction.
