 **Rating:** TEEN

THE BRAND

History's most popular detective

-  The Sherlock Holmes character was featured in over 60 stories written by Arthur Conan Doyle.
-  In addition to numerous one-hour television episodes and two made-for-TV movies, there have been more than five theatrical films featuring Sherlock Holmes.
-  Dreamcatcher Interactive launched Sherlock Holmes: *Mystery of the Mummy* on PC in 2002.
-  A Google search revealed over 815K hits on the words Sherlock Holmes, many of them dedicated fan sites.
-  The previous Holmes title proved to be a strong holiday seller, tripling its sales numbers in December. It's a great value at the SRP of \$19.99.

UBISOFT™

FEATURES AND BENEFITS

-  Over 30 investigating hours and a lush visual presentation.
-  A suspense-filled storyline set in 19th-century London – it's a great game for adventure gamers, murder-mystery fans and puzzle-solvers.
-  The game includes 20 high-quality cinematics that advance the plot and culminate in the final explanation of the case.
-  Original orchestral soundtrack and over three hours of audio dialogue between characters make for an interactive, movie-like experience.
-  Includes 40 different 19th-century London locations, plus clues that take Sherlock Holmes to more exotic locations like Brazil and India.
-  Features an evolving mystery that culminates with questions from the famous detective at the end of each level.
-  True to Doyle's famous fiction, players may take on the roles of Sherlock Holmes and Dr. Watson and investigate the case with Inspector Lestrade, Mycroft Holmes, and Wiggins.

UBISOFT™

TOP REASONS TO BUY

-  It's a value at an SRP of \$19.99.
-  It's a great gift for the mystery fan or adventure gamer in the family.
-  "Sherlock Holmes" is synonymous with suspenseful murder mystery – and this all new original storyline is perfect for an adventure game.
