Game Boy® Advance

STAR WARS® TRILOGY: APPRENTICE OF THE FORCE™

Product Description

For the first time, the legendary *Star Wars*® movie trilogy arrives on Game Boy® Advance. Players will experience the most exciting and memorable scenes from *Star Wars: A New Hope*, *Empire Strikes Back*, and *Return of the Jedi*.

Control Luke as he becomes a Jedi, fight Darth Vader and Boba Fett, escape from the fearsome rancor beast and destroy the Death Star.

Key Features

- The only handheld game dedicated to the entire *Star Wars Trilogy* saga!
- Adventure through the most compelling and 'classic' scenes from the *Star Wars* movie trilogy, controlling Luke Skywalker on his quest to become a Jedi Master.
- Achieve victory with moves including the Jedi Power Slash, the Force Push and the Jedi Jump.
- Battle in fast-action single-player and multiplayer adventures:

- Use R2-D2 to unlock key elements, assisting Luke in cooperative single-player adventures.
- Compete in fast-paced dogfight and capture-the-flag multiplayer modes.
- Action-packed driving challenges will test player's reflexes as they pilot an X-wing across space and drive lightning-fast Speeder Bikes through the Endor Forest.
- Unlock authentic, rare *Star Wars* movie trilogy stills and content direct from the classic *Star Wars*, *Empire Strikes Back*, and *Return of the Jedi* movies.
