

Warcraft II Tides of Darkness

Find'Em

You Guldani have lost most of your Stormreaver Clan at a very long battle at Azeroth. After the battle you swore vengeance and now the time has come for your revenge!

You have fled with the remnants of your clan to a secret Blacktooth Grin Clan camp near three human outposts. You need to join with the Blacktooth Grin Clan camp and destroy the human outposts to put a big dent in their plans for destroying the Orcish Hordes.

Two weeks in your travels to the secret camp you hear from a wounded ogre named Kogoth from the Dragonmaw Clan crawling on the ground with a sword in his arm, "Guldani!" he says.

"What happened to you?" you ask him.

"We were assaulting Stromgarde's capitol and we had almost won when we hear a loud yelling behind us. We turned around and we saw the Twilight's Hammer Clan behind us. We figured that they were coming to help us when they started raining arrows on us. Most of our clan was slaughtered but I survived."

"How would you like some medical attention and to be in our clan?"

So Kogoth joins your clan. You stop at his outpost of Dragonmaw Clan survivors and they join you to which makes the Stormreaver Clan a little bigger than it was.

The Dragonmaw Clan is still a separate clan by itself but are so close allies to you that you might as well be one big clan. Since Zuluhed the Wacked died in the assault on Stromgarde, the Dragonmaw Clan made Kogoth the new leader. Kogoth comes to you and asks, "Guldani when are we going to the Blacktooth Grin Clan's camp?"

"In the morning," you answer.

Early the next afternoon you reach the camp, tired, thirsty, and hungry but you made it. You talk to the leader of the camp, Mungrin, and with Kogoth.

"Guldani I'm glad you made it," says Mungrin.

"Yes well I'm glad you are letting me and my clan stay here, oh yes this Kogoth, the leader of the Dragonmaw Clan," you answer.

"Isn't the leader Zuluhed the leader?" he asks.

Then Kogoth tells Mungrin the fall of his new clan.

"Well Kogoth this might interest you, there's a large secret Twilight's Hammer Clan camp near us right now," Mungrin says, "we'll help you if you want it."

"Yes I would like your help, it would most helpful," Kogoth answers with a wicked smile knowing that their camp won't be standing for very long. "Guldani would you help us?"

"Yes I would love to help you destroy their pitiful camp," you answer.

In the Town Hall of the Grin Clan camp you, Mungrin, and Kogoth discuss a war plan to destroy the Twilight's Hammer Clan's camp and the three human's camps. You three decide to attack early in the morning at the first break of dawn. You will have ten hours to build an army and use it against the four enemies.
