Troll Saga

Part 4

With your safe rescuing of the Runestone, Doomhammer gives you yet another mission of importance. Cho'gall, the Ogre-Magi, and the Twilight's Hammer Clan leader, is a traitor to the Horde!!!! Cho'gall and his clan have given the humans the names of the spies from the nation of Stromgarde. The humans have been found and are awaiting execution by the real nation of Stromgarde. The Twilight's Hammer Clan is holding the spies near your camp. Without the spies we will get no leads about where Uther Lightbringer is. Rescue the spies and then destroy the Twilight's Hammer Clan and Cho'gall so that everyone can see that there is no one who betrays the Horde. The final thing you need to do is to rescue some of your allies from the Burning Blade. Rescue them and they will help you on your mission.
