PROFESSIONAL EXPERIENCE:

CUSTOM REFINISHING
OWNER/OPERATOR

CITY, STATE
1982 to present

Direct technical and administrative operations of this thriving six year old firm specializing in the refinishing of fine grand pianos and furniture. Firm has established itself as a leader in New England in terms of technical performance, quality of workmanship, service, and safety.

- Certified to service the highest quality instruments including Kimball, Bosendorfer, Steinway, Steinway-Hamburg, Schimmel, Yamaha, Chickering, and Mason & Hamlin.
- Service instruments for major area dealers including M. Steinert & Sons and Boston Piano & Organ.
- Service instruments for the Symphony Orchestra, area music schools and universities, and local television and radio studios.
- Refinish antiques and reproductions for a company specializing in custom designing executive workspaces.
- Train and supervise three full-time finishers and subcontracted instrument technicians.
- Present seminars at Piano Technicians Guild and area vocational schools stressing use of proper equipment and shop safety.
- Considered a leader in establishing shop safety records.
- Continually studying and perfecting the technical aspects of the finishing process in order to improve quality and performance.
- Utilize PC's for graphic design, word processing, data base management, and accounting functions.
- Certified by Piano Technician's Guild as Allied Tradesman; studying for Tuner Certification.
