This file contains all the information required to register WinAsks Professional. For your convenience we have contracted several authorized distributors, thus making easier your registration procedure. For a list of our distributors, please check the help file of WinAsks. However, to register WinAsks, we recommend you to use the program *Registration Wizard*, which in a few simple steps will guide you through the registration procedure. You can also register WinAsks using CompuServe's SWREG forum.

For further information about registration, available licenses, prices, consult the README.WRI file. Thank you for deciding to register WinAsks Professional 2.0 !

If you want to register to SmartLite Software using snail-mail, you can print the following order form and mail to us with your cash, check or international postal money. For other payment types (e.g. credit cards), other distributors and other information, use the program *Registration Wizard*.

Please note that Shipping & Handling (10\$) are already included in the following prices.
