BBS Find File

Use BBS Find File to quickly search selected sections of the BBS for a file.

•
Select the part of the BBS you want to search from the "Search" pop-up menu.
Every BBS icon that you have access to appears in this menu.

•
Next enter a part of a file name in the "names containing" edit field.

•
Then click in the "Find" button to begin the search.   TeleFinder displays the files whose names contain the specified text as it finds matches.

Working with found files
•
 Click in the Open button to display e-mail, text, graphics and message topics.   If TeleFinder cannot display the type of file selected in the list, the Open button will display the Info window.

•   Click in the Info button to display the Info window.   The Info window shows a description of the file, and thumbnail picture if it is present.

•   Click in the Receive button to begin the transfer of the selected file to your Macintosh.
