*GIF Construction Set for Windows* is bookware. If you like it, please read Steven William Rimmer's new novel **The Order**, ISBN 1-895268-02-8, published by Jam Ink Publishing. Doing so will provide you with a way to disable the beg notice and the extra comment block added when *GIF Construction Set for Windows* saves a file.

**The Order** is set in the Scottish highlands, in a decaying castle, in the winter of 1882. It's the story of a young woman who finds herself in the midst of a secret society whose members appear to be killing each other. The secret society dates back to crusader times... the mystery behind it dates back considerably further.
