LICENSE AGREEMENT

The School of Ocean and Earth Science and Technology, University of Hawaii, and the Geodynamics Branch, Geosciences Laboratory, NOAA (hereafter referred to as "the Grantors"), hereby grant a perpetual, non-exclusive, non-transferable license to use the Generic Mapping Tools (GMT) software to:

Company Name: ____

Address: ____

____

(hereafter referred to as "the Company"), subject to the following terms:

1. **NO WARRANTY OF SOFTWARE AND MANUALS**. The Grantors and their officers and staff make no warranty, expressed or implied, and there are expressly excluded all warranties of merchantability and fitness for a particular purpose. The Grantors and their officers and staff shall have no liability with respect to consequential, exemplary, or incidental damages arising out of or in connection with the use or performance of this software and documentation. It is the Company's responsibility to assure that this software and documentation is adequate for the user's purposes.

2. **NO GUARANTEED ACCESS TO DATA**: The Company understands that GMT as distributed with this license agreement does not include the "gmtfiles" underway marine geophysical database, or any other data. Certain data files (such as a world coastline) may be supplied with the GMT release, but the Grantors do not guarantee to maintain, update, or distribute to the Company any such data.

Company Representative's Printed Name: ________________________

Company Representative's signature: ________________________

Company Representative's email address: ________________________

Date: ______________

Grantor Representative: ________________________
